

## Pass it Around

<sup>F</sup> What's on your mind... <sup>C</sup> Can I take a guess... <sup>Bb</sup> If you're having a hard night,  
<sup>Bb</sup> There's good news... <sup>F</sup> it only takes a little... <sup>F</sup> only takes a little... bit of time.

<sup>F</sup> What's on your mind... <sup>C</sup> Get it off your chest... <sup>Bb</sup> I'm right here if you need me,  
<sup>Bb</sup> It's true... <sup>F</sup> it only takes a little... <sup>F</sup> only takes a little... bit of time.

<sup>C</sup> With a little bit of time... <sup>Bb</sup> and a little understanding.  
<sup>C</sup> And a little more concern... <sup>Bb</sup> for all of those around you.  
<sup>Bb</sup> We can make it better... <sup>Bb</sup> we can make it better...

<sup>F</sup> Every little bit helps... <sup>Bb</sup> when you pass it around... so pass it around  
<sup>F</sup> Every little bit helps... <sup>Bb</sup> when you pass it around... so pass it around

<sup>F</sup> It ain't that hard... <sup>Bb</sup> It's easy to do.  
<sup>F</sup> It ain't that hard... <sup>Bb</sup> It's easy to do.
